To the extent possible under law, [Sunnybrook Health Sciences Centre](#) has waived all copyright and related or neighboring rights to Sunnybrook Cardiac MR Database. This work is published from: Canada.

Information about our license:

This "Sunnybrook Cardiac MR Database" is made available under the CC0 1.0 Universal license described above, and with more detail here:

<http://creativecommons.org/publicdomain/zero/1.0/>

The Sunnybrook Cardiac MR Database includes both DICOM studies and associated contours, and these data are available under this license.

Attribution:

We kindly ask that any use of this Sunnybrook Cardiac MR Database, for either a publication or presentation, cites our paper:

Radau P, Lu Y, Connelly K, Paul G, Dick AJ, Wright GA. "Evaluation Framework for Algorithms Segmenting Short Axis Cardiac MRI." The MIDAS Journal - Cardiac MR Left Ventricle Segmentation Challenge, <http://hdl.handle.net/10380/3070>

Perry Radau, PhD (Imaging Research, Sunnybrook Health Sciences Centre, Toronto, Canada)

Community Norms:

Please read the Open Data Commons Community Norms. For the latest version see here:

<http://opendatacommons.org/norms/odc-by-sa/>

The Community Norms document reflects norms of access and use that can help create a vibrant community around data and databases that would be great if you would voluntarily adopt.
